

Three problem sets (10% each)

Final Project (50%)

Lecture scribing (10%)

Class participation (10%)

Course Logistics & Expectations

- **Three problem sets (10% each):** a mixture of theoretical and practical exercises
- **Final Project (50%):** in groups, with 3 deliverables:
 - Proposal (10%): one-page summary of proposed project, with expected outcomes
 - Final Report (30%): ~8 page, conference-style paper
 - Presentation (10%): mandatory, in-class on 12/2 - **mark it on your calendar**
- **Lecture scribing (10%):** two options:
 - Scribe a lecture (core or guest lecture) [sign up link will be released this Friday]
 - Contribute a section to the “OT Cookbook” [sign up link will be released this Friday]
- **Class participation (10%):** evaluated holistically. Necessary conditions for full credit:
 - In-person attendance at lectures
 - Lead one in-class paper discussion in teams of 2 [sign up link will be released this Friday]

Final Project
